

Welcome to the Morgan Price app

We are pleased to announce the launch of the 'My Morgan Price' app, designed to enable you to take your policy details with you whenever, and wherever you go!

The launch of our app is part of a wider move to us going paperless and cutting down costs to the environment of sending plastic cards across the world.

Available on both iPhone and Android, the 'My Morgan Price' app allows you to display coverage details, retrieve policy documentation and get quick access to us in the event of a claim.

Features

Offline access

Once you have logged in and downloaded your details, you will be able to use the app offline.

Choose a default member

Configure a default policy member to display on launch for quick stress-free display.

Family coverage

Can be installed on all of your family member's phones with one account.

Environmentally friendly

Reduce your carbon footprint with your virtual membership card, certificate and policy documents.
